## STATEMENT OF PROBABLE CAUSE

I state that on **August 30**, 20**19**, while exercising my duties as a law enforcement officer in the **Eastern** District of **Virginia**

At 1928 on 30 Aug 19, Unit 96 (BOND) was operating stationary LIDAR on Washington Blvd (In-Bound) adj. Jefferson Ave and observed a black in color 2019 Hyundai Elantra bearing NC/20 FMW5334 traveling on Washington Blvd in the right lane coming from the Main Gate at what appeared to be in excess of the posted speed limit. Unit 96 activated his handheld LIDAR and confirmed the Hyundai was traveling 42 MPH in a 30 MPH zone at 578 feet. A traffic stop was conducted and the driver was identified as SPC Cody L. STEED via his California driver's license. An Armed Forces Traffic Ticket was issued for the speed and during contact again, unit 96 detected an odor of a suspected alcoholic beverage emitting from the vehicle, the driver's speech was slurred and his eyes appeared to be bloodshot and glassy. SPC Steed verbally stated that he did not consume any alcoholic beverage(s) but the front seat passenger, who was identified as SGT Christopher D. KELLNER, stated that he drank some alcoholic beverages. SPC STEED was asked to exit the vehicle and unit 96 conducted a series of three Standardized Field Sobriety Tests on SPC STEED which indicated a level of impairment. SPC STEED verbally consented to a search of his breath and submitted to a Preliminary Breath Test (PBT) which indicated impairment. Unit 23 (BRADSHAW) searched, apprehended and transported SPC STEED to the Military Police Station for processing. SPC STEED was advised of the implied consent statute, at which time SPC STEED consented to a search of his breath on the intoximeter EC/NR-II which indicated 0.12 Grams Per 210 Liters of Breath. SPC STEED was advised of his legal rights of which he invoked and the interview was terminated. SPC STEED was issued one CVB Form with a mandatory appearance in U.S. District Court on 6 Sept 19 and an on-post driving suspension memorandum effective for one year. SPC STEED was processed and released to his unit (SFC JOHNSON) on a DD Form 2708. The vehicle was towed by Pop's Towing and Recovery. SPC STEED is currently TDY at Ft Eustis for training but is stationed at Joint Base Lewis-McChord in Washington.
